

WESTERN CAPE WIND ENERGY CONFERENCE

24 November 2009

The River Club, Observatory, Cape Town

gtz German Technical Cooperation

Eskom

Programme For Action

TIME	CONFERENCE SESSION	PRESENTER
08h00	Arrival – Registration	
08h30	Opening Address	Chairperson: Dipolelo Eford – D:EA&DP
08h40	Address by Head of GTZ-TERNA: <i>Introduction of the conference concept</i>	Dr Rolf Posorski - GTZ
08h45	TERNA Wind Energy Project Western Cape: <i>Summary of project activities and achieved results</i>	Daniel Werner - GTZ
09h00	Fast tracking wind energy development in the Western Cape: <i>Creating the enabling environment</i>	D:EA&DP
09h15	Regional Action Group I: Regulatory Framework for Wind Energy in the Western Cape: <i>Presentation of results and programme of action</i> Questions and Comments Official Delivery of the Regional Regulatory Action Plan (RRAP)	Jonathan Curren – CAMCO
10h00	Tea and Coffee Break	
10h15	Regional Action Group II: Technical Requirements for Wind Energy in the Western Cape: <i>Summary of performed activities and results</i> Questions and Comments Official Delivery of the Grid Study Report	ESKOM
11h00	Regional Action Group III: Commercial Utilisation of Wind Energy <i>Introduction: Future utilization of renewable energies in South Africa</i> <i>Development of wind energy projects in the Western Cape - Case Studies:</i> <i>Various Wind Farm projects in the Western Cape (Hessequa Municipality, Beaufort West Municipality, Beaufort West South, West Coast and more)</i> Questions and Comments	Hermann Oelsner – Oelsner Group Carlo Van Wyk - CVW Leila Mahomed-Weideman – Genesis Eco

12h30	LUNCH	
13h30	Regional Action Group III: Commerical Utilisation of Wind Energy (Continued) <i>Development of a production base for wind turbines in South Africa: Trends and Developments:</i> <i>Palm Tree Power</i> <i>Isivunguvungu</i> Questions and Comments	Hans Van Eeden – Palm Tree Power Dr Michael Kast and Thomas Schaal - Isivunguvungu
	<i>Investments in wind energy in the Western Cape: Cooperation Concepts</i> <i>EnBW/Germany</i> <i>GE Energy</i> Questions and Comments	Tilo Stein - EnBW Sechaba Molestane – Tsebo Consulting Johan Cilliers – GE Energy
14h45	Tea and Coffee Break	

BREAK AWAYS: 15h00 – 15h45

Regional Action Group (I) Regulatory Framework for Wind Power in the Western Cape	Regional Action Group (II) Technical Requirements for Wind Power in the Western Cape	Regional Action Group (III) Commercial Utilization of Wind Power
Comments on achieved results	Comments on achieved results	Investors Perspectives on Project Development (Tilo Stein - EnBW)
Open Questions	Open Questions	General discussion 'Developer challenges and opportunities'
Conclusion and Recommendations	Conclusion and Recommendations	Conclusion and Recommendations
Way Forward	Way Forward	Way Forward

15h45	Summary of Break Away Sessions: <i>Regional Action Group I</i> <i>Regional Action Group II</i> <i>Regional Action Group III</i>	
16h15	Closing Address	Dr Rolf Posorski – GTZ and Dipolelo Elford – D:EA&DP
